

# Help for the smartcard activation to vote

---

To start this process you need to:

- have installed at least one voting machine.
- have a smartcard reader connected to the president machine.
- have smartcards to be activated and thus allow votes to be cast.

To activate an official smartcard you need to:

1. Click on the nationality of the voter.
2. Insert the card into the smartcard reader.
3. Wait for the message indicating the card is activated.
4. Give the card to the voter.
5. Repeat this procedure for each voter who presents himself.
6. When you are ready, click on the red cross in the upper right part of the screen.
